MEMORIAL FUND FOR SOLDIERS AND SAILORS IS STARTED

Mass Meeting Sunday Afternoon at
Washington Theater Results in
Starting Fund To Purchase
Memorial Hall.

There was only a fair crowd at the Washington Theater Easter afternoon for the mass meeting being held for the purpose of starting a fund for the purchase and equipment of the central Presbyterian church building as a Memorial Hall for Mayville and Mason county soldiers and sailors who fought in the World War.

The Mayville Boys' Band played a very delightful concert and Hon. Stanley F. Reed delivered the chief address of the afternoon. A duet by Miss Elizabeth Harbaur and Mr. Robert Strans was one of the big features of the program.

The purpose of the meeting was to start a memorial fund and the meeting was quite successful in this respect, nearly \$3,000 having been pledged to the meeting. The Mason County Woman's Club, which is behind the movement, is endeavoring to raise a fund of \$15,000. Ten thousand dollars of this fund is needed to purchase the building and the balance will be used to equip it. The pledges made Sunday afternoon follow:

E. P. Browning, Sr., \$200; J. Barbour Russell, \$200; J. C. Everett, \$200; J. N. Kehoe, \$100; LeWright Browning, \$100; S. P. Browning, \$100; Mrs. T. M. Russell, \$100; Eugene Merz, \$100; E. L. LARGE AUDIENCE HEARS SPECIAL EASTER PROGRAM

Persons Turned Away From Third
Street M. E. Church Sunday Eve-
ning at Special Easter Program.

The Third Street M. E. Church was crowded to its full capacity and many turned away last evening when the Sunday school gave their Easter program "New Life." All who had part in the program carried their parts well. The decorations were very appropriate and the varied colored lights turned on the platform and characters during the program gave it a beautiful setting.

One of the greatest treats of the evening was the singing of Mr. Homer Burress. He has a wonderful tenor voice. He favored the service with two selections, and it is safe to say that it has been a long time since a Mayville audience has heard such a magnificent rendition of the selections he sang. It was quite a disappointment that he did not arrive in time for the morning service at the First M. E. Church, South. It is certainly to be hoped that he can visit our city again in the near future and sing for us.

BEAUTIFUL EASTER PROGRAMS.

All of the local churches had unusually interesting Easter programs on Sunday. It is doubtful if an Easter in recent years was more elaborately celebrated by the local churches than was this year's Easter. The day was not altogether a day fitting for the display of spring clothes and yet, there were many Easter suits on parade.

WEATHER MAN HOLDS OFF ONE DAY.

The Weather man held off one day on the bad weather he was predicting on Saturday but he is certainly making up for lost time today with snow flurries such as seldom are seen during April. It is feared that fruit is damaged in these parts by the severe weather of today.

500 REWARD
If you can help to prove that you bought my shoes from any one in Mayville. I will pay you \$10.00 and you can keep the shoes. You are only wanted as a witness.

HARACAS RENDERS PROGRAM.

The evening service Sunday at the First Baptist Church was in charge of the Haraca Class of the Sunday school and the young men rendered a very interesting program. Mr. J. P. Galtner and Prof. R. Y. Maxey delivered the chief addresses for the class.

ACTIVE CAMPAIGN FOR AUTO CLUB HAS BEEN STARTED

Drive for Large Membership to May-
ville Branch of Cincinnati Auto Club
Is Started This Week.

An active campaign for members for the Mayville unit of the Cincinnati Automobile Club started today. The leader of the campaign, an experienced auto club man, today issued this appeal.

"Mister Motorist are you a member of the Automobile Club? Think it over. Mr. Motor Car Owner. We will leave the matter to your judgment if you merit your approval give us your application we are for good roads and against unjust legislations. It is not worth what it cost to be united with 5,000 loyal patriotic and appreciative motorists!

"The Cincinnati Automobile Club is the largest in the Southern section. Working not for themselves alone but for all motorists in Southern Ohio and Northern Kentucky. The Mayville Unit from all indications is going to be the liveliest civic organizations in Northern Kentucky. Its present members are those most prominent in business and social life. Your name on our roster will be appreciated. Join now and boost for ever.

"Good roads mean progress and prosperity, a benefit to people who live in the cities, an advantage to the people who live in the country, and they will help every section of our vast domain. Good roads, like good streets, make habitation along them most desirable; then enhance the value of farm lands, facilitate transportation, and add untold wealth to the producers and the consumers of the country. They are mile-stones marking the advance of civilization; they economize time, give labor a lift, and make millions in money; they save wear and tear and worry and waste; the benefit the country and bring it in touch with the city; they aid the social, the religious, the educational, and the industrial progress of the people. They make better homes and happier fire-sides. They are the avenues of trade, the highways of commerce, the mail routes of information, and agencies of speedy communication."

DAUGHTERS OF CONFEDERACY MEET TUESDAY AFTERNOON.

The Daughters of the Confederacy will meet with Mrs. Edwin Matthews Tuesday, April 6th, at 3 p. m. The constitution of this organization contains the following: "The objects of this association are historical, educational, memorial, benevolent, and social, to fulfill the sacred obligations to the survivors of the war between the states and those dependent upon them; to honor the memory of those who served and those who fell in the service of the Confederate States; to record the part taken by Southern women in patient endurance of hardship and patriotic devotion during the struggle, as well as in untiring effort after the war in the reconstruction of the South; to collect and preserve the material for a truthful history of the war; to protect historic places of the Confederacy; to assist descendants of worthy Confederates in securing proper education; and to cherish the ties of friendship among the members of the association."

All members and all who are eligible to membership are urged to attend the meeting.

CHURCH LEADER TO SPEAK.

It was announced yesterday that on next Sunday Mr. E. Dow Bancroft who is recognized as one of the greatest speakers in the great modern movements of the Methodist church will speak at the Third Street M. E. Church. Since hearing him at the last annual conference the pastor and the church have been endeavoring to secure him for an address at Third Street Church. He is an orator who captivates. During the great centenary campaign he was one of the men who had so much to do with making the movement such a success. The theme of his address will be along evangelistic lines. The local church will endeavor to get out its entire membership to hear him. They also extend a hearty invitation to the public in general to hear him.

the Mason County Telephone Com-
pany—New Directors Chosen.

The annual meeting of the stockholders of the Mason County Telephone Company was held at the court house this afternoon. Flarity, Lucien Maltby, Gary Strode, James Grubbill, F. E. Toile, Robert Wood and W. H. Mackey. The directors held a meeting immediately following the stockholders meeting and elected Mr. M. J. Flarity, of this city, president of the company, and Mr. Paul Durrett Secretary and Treasurer.

The company's lines are now in very bad condition having been severely damaged by the recent sleet storm but the new officials hope to soon have the lines in good working order.

LEWIS COUNTY HAS NEW WEEKLY PAPER.

The first issue of the Lewis County Leader has been received in this office. It is a very new sheet, well edited and seems to have splendid support from the business men of the town of Vanceburg in its advertising columns. The paper is published by L. E. and Todd, both experienced newspaper men. Mr. Todd is a native Lewis county man and there is no doubt but that this new paper will meet with immediate success.

REVIVAL IS BEGUN AT "LITTLE BRICK CHURCH."

A special series of revival services has begun at the "Little Brick Church" in East Second street, Sixth ward. The first service was held on Sunday evening. The pastor, Rev. J. J. Dickey, is being assisted during this revival by Rev. E. T. Adams, an evangelist of much power. The public is cordially invited to the services which will be held each afternoon and evening until further notice.

RED MEN HAVE ANOTHER BIG NIGHT.

Tuesday night will be another wild night at the Red Men's wigwam, eleven pale faces have strayed into the forest and will be given the Adoption degree. The committee on the quarter-century celebration will have a partial report to make. The committee will also consider further the plans for that big occasion.

BIG CONTRIBUTION TO MISSION WORK.

The Sunday school of the First Presbyterian church had one of its biggest and best days. In addition to a large attendance they made an offering of \$42 for the support of a mission in China. Decision Day was also observed with eight giving themselves to Christ and the church. There was also one addition by letter.

The funeral of Mr. C. C. Arthur held Sunday afternoon from the home in East Second street was very largely attended by friends. Burial was made in the Maylick cemetery.

POLICE UNCOVERED SERIES OF THEFTS IN SEARCHING A HOUSE

Goods Found in Negro's House That
Had Been Stolen From Several
Places—Some Goods Yet Un-
identified Held By Police.

Policeman P. Ryan, Saturday night, following clues he had picked up on the streets, went to the home of Ed Mason, better known about Mayville as "Vikie" and found hanging on the walls of his home the clothing that was stolen a few days ago from the Dressing Tailor Shop in Market street and a number of other articles of wearing apparel.

Only a few days ago the police were notified that some one had entered the O'Donnell property at Bridge and Lindsay streets occupied by Lloyd Mann and others and had stolen articles of wearing apparel. Among the clothing discovered at Mason's home was a vest belonging to Mr. Mann and 3 shirts, 6 pairs of socks, a hat, miter and razor which all belonged to John Jones, who also has a room in the O'Donnell residence.

The police have at the police station a pair of shoes and a suit of clothes which they have thus far been unable to identify and it is expected that before long it will develop that Mason has entered some other house as well.

For some time the police have had reported to them petty thefts in various parts of the city and it now appears that Mason is the guilty party in all. This same negro has been in police court on a number of occasions on charges of petty larceny and was once arrested for chicken stealing. The police have not yet located Mason, who is thought to be hiding about the city.

Mr. Edward Garrett, former resident of Mayville, now a resident of Newport was here today shaking hands with his many friends. His friends will be glad to know that Mrs. Garrett has regained her health. She was met here today by her husband being en route home from the Lexington state hospital.

Although there was a good crowd of farmers in Mayville today, there was little trading at the stock yards. Little business was transacted in County Court.

The trial of Pascal Lightfoot, negro charged with circulating obscene writings, has been set for Wednesday, April 14th in Circuit Court.

CITY IS GIVEN CHANCE TO REPAIR STREETS

Case Against City of Mayville, Indict-
ed for Failing to Repair Streets,
Is Postponed Until September
Term of Court.

The case against the City of Mayville, indicted by the Mason County Grand jury for failing to properly repair Fourth and Third streets, was set for trial in the Mason Circuit Court this morning. When the case was called the Commonwealth moved that the case be continued until the September term of court to give the city officials an opportunity to make the needed repairs to the streets as weather conditions have been such that work could not be done successfully.

Plans had already been made by the city to make extensive repairs and improvements to these streets. It is understood that the city had expected to have these streets put in good condition long before this but they were disappointed. The city had planned to have the contractors who have been working on the Lexington pike to repair these streets but the contractors left before doing the work.

It is more than likely that the city will use Rock Asphalt or some other form of permanent coating for the streets in question.

SIXTH LECTURE DELIVERED BY DR. SHULL.

The sixth lecture in the University Extension course will be delivered at the court house Tuesday evening at 7:30 by Charles Albert Shull, B. S., Ph. Dr. Shull's subject for Tuesday evening is "The Twentieth Century Crusade." Everybody invited.

Editor Otis White, of the Manchester Signal, was a business visitor in Mayville today and paid the Ledger a very pleasant call.

Mrs. Hugh Nesbitt and sons, Wallace and Hugh, of Washington, D. C., are visiting Mrs. T. Y. Nesbitt of the East End.

MINERVA ORGANIZES COMPANY FOR EREC- TION OF SCHOOL

Arrangements Made Here
Meeting of Board of Education
Erection of New High School
Building at Minerva.

A committee of Minerva citizens appeared before the Mason County Board of Education at their regular monthly meeting held at the office of County Superintendent Traipseed this morning and made arrangements for the immediate erection at Minerva of a beautiful new high school building which will probably cost \$35,000 or more.

A company of Minerva citizens to be known as the Minerva Improvement Company was organized at Minerva this past week for the purpose of raising funds to build the new house. At today's meeting of the Board of Education arrangements were made for the County Board to rent the building until such a time as the rents shall have paid for the cost of the building.

Although it has not been finally decided just what the new building's plans will be, it is understood that it will be just about the same sort of building as was erected at Washington. The company will probably let the contract for the building in the near future and it will more than likely be erected during the summer. Messrs. Harry Smoot, Wat Woffington and C. L. Mains and William Smoot together with Prof. John Hurst Adams were leaders in the movement.

MARKABLE RECOVERY

Extraordinary Curative Power of Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I want to let you know what good Lydia E. Pinkham's Vegetable Compound has done me. I had organic troubles and am going through the Change of Life. I was taken with a pain in my side and a bad headache. I could not lie down, could not eat or sleep. I suffered something terrible and the doctor's medicine did me no good at all—my pains got worse instead of better. I began taking the Vegetable Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it, for it cured me after I had given up all hopes of getting better. You can publish this and I will tell any one who writes to me the good it has done me."—Mrs. MARGARET DANZ, 748 N. 25th Street, Phila., Pa.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. After all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

STANLEY REED,

HENSLEY HAWKINS, Auctioneer.

SOUTHERNER A HIT IN "THE VIRTUOUS THIEF."

That old-fashioned Southern gentleman are living in some sections of New York City is revealed sometimes when the orchestra in the restaurant renders "Dixie," but otherwise their presence in the bustling metropolis goes practically unnoticed.

One of the most charming characters in Enid Bennett's latest Paramount-Linco photoplay, "The Virtuous Thief," which will be the attraction at the Washington theater next Tuesday, is "the grandfather of the heroine, who though at the time of the story a resident of Flatbush, still is living in the days of the Confederacy and the Old South. His granddaughter's bashful lover almost causes a riot when he whistles "Yankée Doodle" in his presence and wins his favor only when he changes his tune to "Dixie."

The part is played by Willis Marks and is one of the most delightful bits in the picture, which is one of the most intensely dramatic and interesting vehicles that Miss Bennett has yet had. The plot deals with a sheltered girl who enters the world of business to shield the honor of an erring brother who has stolen a sum of money from his employer.

"IN THE DAY'S NEWS."

Joseph C. Grew of Boston, who has been appointed United States Minister to Denmark, is one of a not too large number of his countrymen who may be looked upon as a diplomatist by profession and training. For, after graduation from Harvard University, in 1902, and a period of extensive travel in Europe and in Asia, he entered the American consulate at Cairo as a clerk, and, after two years' service, was transferred to the United States embassy in Mexico City, passing from there to Petrograd, and from there on to Berlin, where, from 1908 to 1911, he had secretarial duties. Then he was secretary of the embassy in Vienna. In 1912 he returned to Berlin as first secretary of embassy and was stationed there when the war caused the severance of diplomatic

relations. With the close of the war his abilities were given further official recognition in his appointment as secretary of the American Peace Mission.

THE LITTLE BANK WITH THE BIG BUSINESS.

TOWN IS SPLIT BY FATAL FEUD ON THE BORDER.

Los Angeles, Calif.—Out of the maze of events that led up to and followed the recent vice raids and exposures in Imperial Valley has come to the little town of Winterhaven, in the center of the Yuma Indian reservation and within a short distance of the international border, a new phase of a fatal feud. When Fred Lake, pool hall proprietor, shot and killed J. A. Martin, deputy sheriff of Imperial county and former well known resident of Los Angeles, he set in motion two currents of feeling that have torn the village into factions.

While Lake is awaiting trial for murder the tragedy is spoken of at Winterhaven only in hushed tones. Behind this emotion is bitterness—bitterness that harks back to bootlegging, to controversies on law and order and to the shooting. Mr. Martin's death is the first fatality that has come from the vice exposures. His friends and those of Lake want it to be the last. But the fictional feeling is intense.

History of Feud.

The feud which led to the slaying of Mr. Martin developed months ago. It appeared from testimony introduced at the inquest and from the statements of friends of both men.

Last fall Mr. Martin repeatedly complained to the Imperial county sheriff's office that Lake, whose pool hall is but a few feet from the Martin home, was running a disreputable place, that bootlegging was being carried on, and that the establishment should be closed.

His feeling between Mr. Martin and Lake came to an open breach last fall after Mr. Martin was given a deputy sheriff's badge, with instruction to arrest any violators of the law in Winterhaven. Hot words are said to have passed between the two when Mr. Martin complained of the noise late at night in the pool hall.

The feud gradually extended to the friends of the two men. It is asserted, until the community was divided by it. Witnesses at the coroner's inquest testified that Lake had frequently made threats to "get" Mr. Martin.

Three Shots Fired.

The morning of the shooting Mr. Martin was walking from his house to a hardware store, half a block from his home.

As he neared the corner Lake came along the other side of the building. They met at the corner. It is said Mr. Martin was without a gun. Three shots were fired. Witnesses state that Mr. Martin, after the first shot, whirled and started to run. The second or third shot struck him in the back, passing through his body. The bullet was found between the clothing and the flesh.

No witnesses saw both men at the time of the shooting, although several were in a position to see only one of them.

At the other side of the building, half a block away, the two daughters of Mr. Martin, Florence, 15 years old, and Helen, 13, heard the shots. The

MAYSVILLE EVIDENCE FOR MAYSVILLE PEOPLE

The Statement of Maysville Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is a real proof. Public statements of Maysville people carry real weight.

What a friend or neighbor says compels respect. The word of one whose home is far away invites your doubts.

Here's a Maysville man's statement. And it's for Maysville people's benefit.

Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.

Ask your neighbor! Henry S. Gallenstein, blacksmith, 124 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well."

RESULTS THAT REMAIN Over four years later, Mr. Gallenstein said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent."

elder, knowing of the trouble between her father and Lake and seeing the latter, ran into the house, seized a shotgun, and hurried to the scene of the shooting, where her father had fallen in the street.

Because her father had loaded a single barrel gun the week before for a double barrel hammerless the child was unable to operate the weapon. The smaller girl ran to help her sister.

Shayer Confesses.

Following the shooting, Lake walked back along the side of the building to the entrance of the store. Here he was met by Scott Stringfellow, the manager.

Importance of Service for Children

"Few stores give enough attention to fitting children's feet. We here know that this service for children is even more important than for grown ups, because the bones of children's feet are soft and pliable. Poorly fitted shoes on children are the chief cause for further foot trouble, so buying children's shoes here is health insurance for the child."

EASTER SUNDAY SCHOOL ATTENDANCE.	
The weather man delivered part of his bad weather for Easter Sunday but it didn't affect the Sunday schools very much as the splendid report below shows. It seemed that the Easter festival really put "New Life" into the schools. May the good work keep up. It is only four weeks until Go-To-Sunday-School-Day. MOST PEOPLE IN NEED OF SPRING TONIC THIS YEAR

Sickness General and Thousands Are Run Down—Vola-Tonic Ideal Builder.

Nearly everybody needs a strengthening, health-building spring tonic this year.

Influenza came back in January and February and thousands of people who had it were weakened and run down as a result. In addition, what appeared to be a general wave of sickness passed over the country the last part of February and the first part of March. Complaints were common during that period. Bad colds, la grippe and other forms of weakening sickness were reported everywhere.

As a result of these things thousands of men and women are today weak and run down and it is believed that the need of a strengthening, health-building spring tonic is more general this year than ever before in history.

Vola-Tonic, "Builder of Strength," is already being taken by many people as a spring tonic and is what countless other men and women need.

Vola-Tonic invigorates the entire system and is a wonderful strength-builder. Vola-Tonic starts its work by bringing a normal, healthy appetite and putting the digestive organs and bowels in good condition. It helps the stomach take strengthening nutrition from food to enrich and build up the blood and to nourish the organs and tissues of the body. Vola-Tonic also soothes the nerves and permits sound, energy-restoring sleep every night. As a result, full normal strength and health soon come to the weakened, run down man or woman.

People who are weak and run down from influenza, la grippe, colds and other sickness should take Vola-Tonic this spring so that they will be strong and well and ready to enjoy summer when it comes.

Vola-Tonic, "Builder of Strength," is being specially introduced in Maysville at J. J. Wood & Sons.
